On January 6, 1998, Dr. David B. Altman had a 19 minute telephone conversation with Federal Aviation Administration (FAA) Chief Psychiatrist Barton Pakull M.D. Dr. Altman and Dr. Pakull begin the MEDICAL FRAUD at United Airlines and the FAA.

Dr. David B. Altman notes

On January 20, 1998, FAA Regional Flight Surgeon/United Airlines O'Hare Medical Director Robert A. McGuffin M.D. informed Dr. David B. Altman that United Airlines would not be financially responsible for my evaluation. Not being paid by United Airlines gives Dr. Altman motive for destroying my aviation career. MEDICAL FRAUD BECOMES EXTORTION.
